We came as a mass,  
huddled together . . .

Yet so far apart,  
searching for just one  
familiar hello.

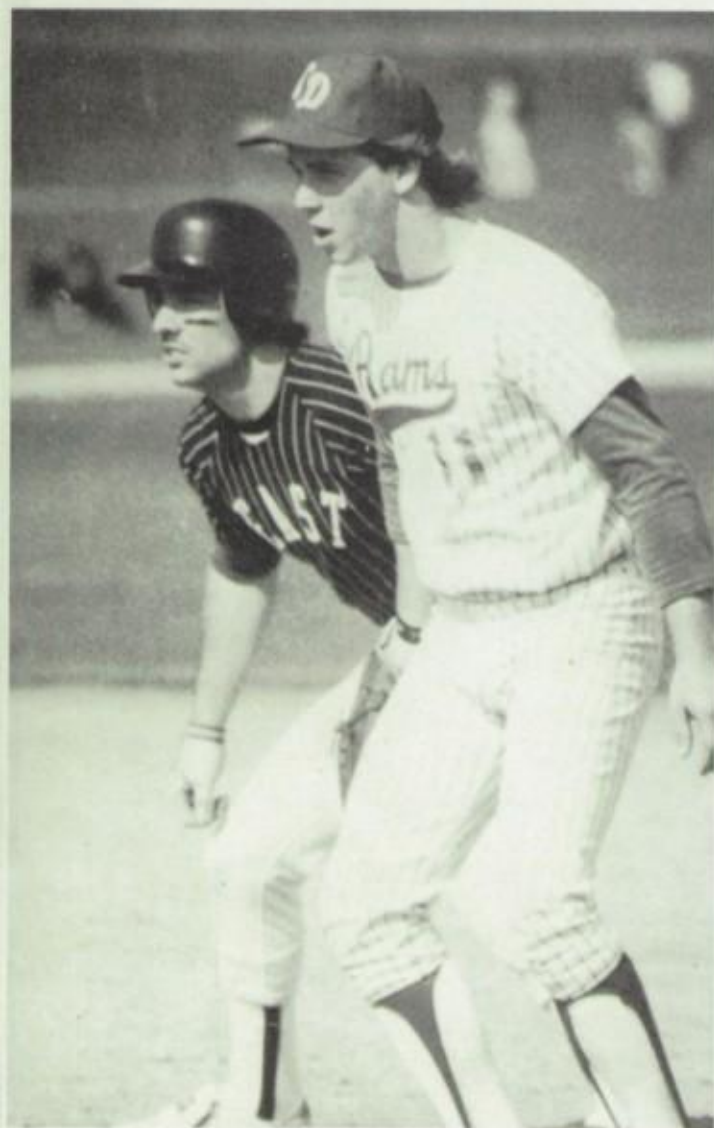

As the seasons  
changed  
year by year . . .  
football season  
faded into  
baseball season,

and nameless faces  
melted into friendships.

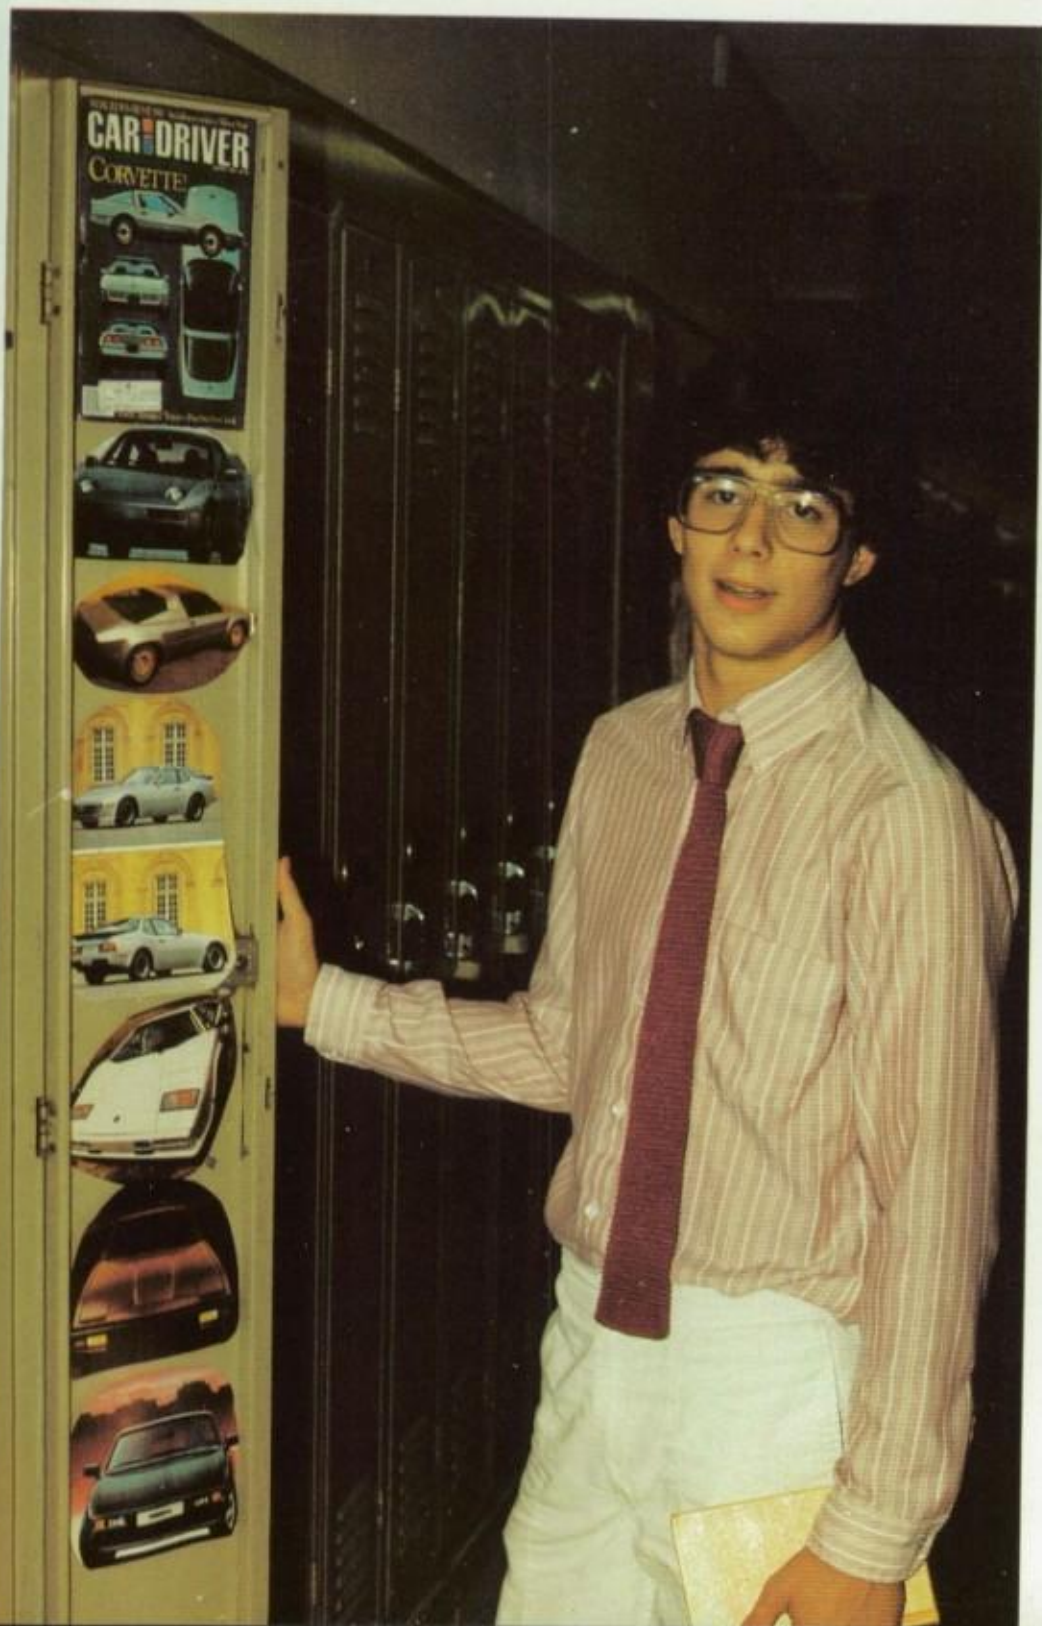

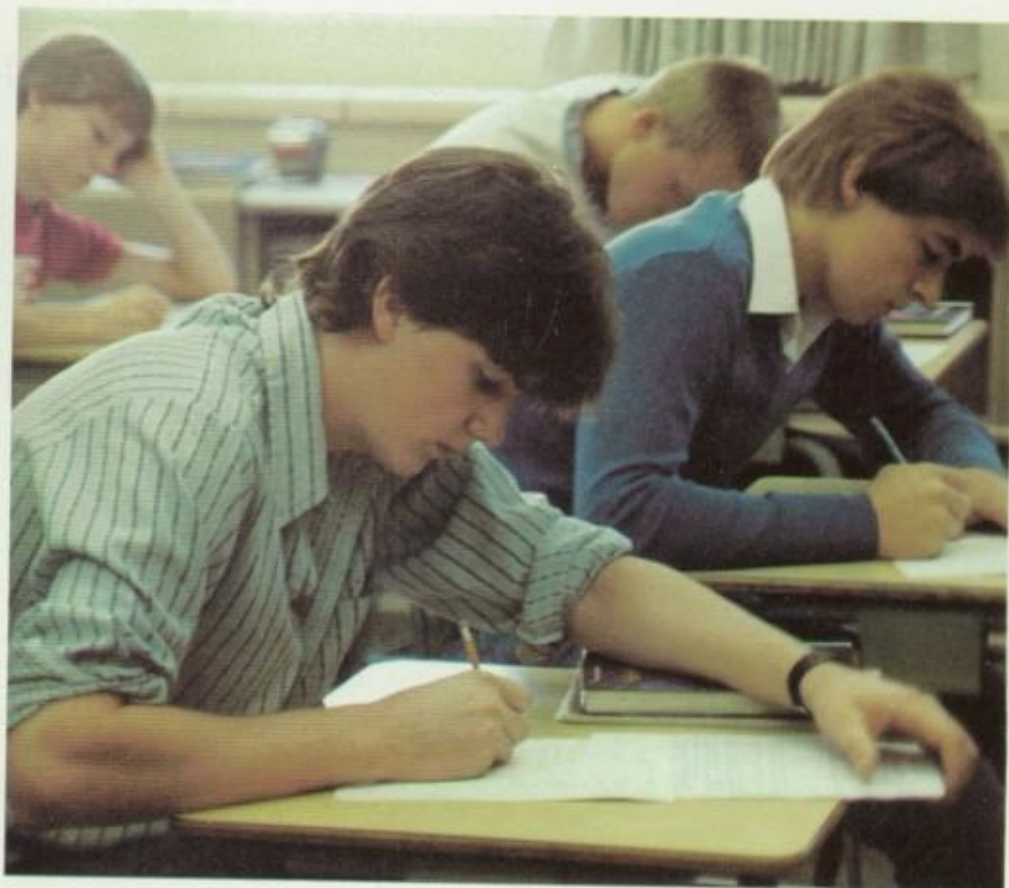

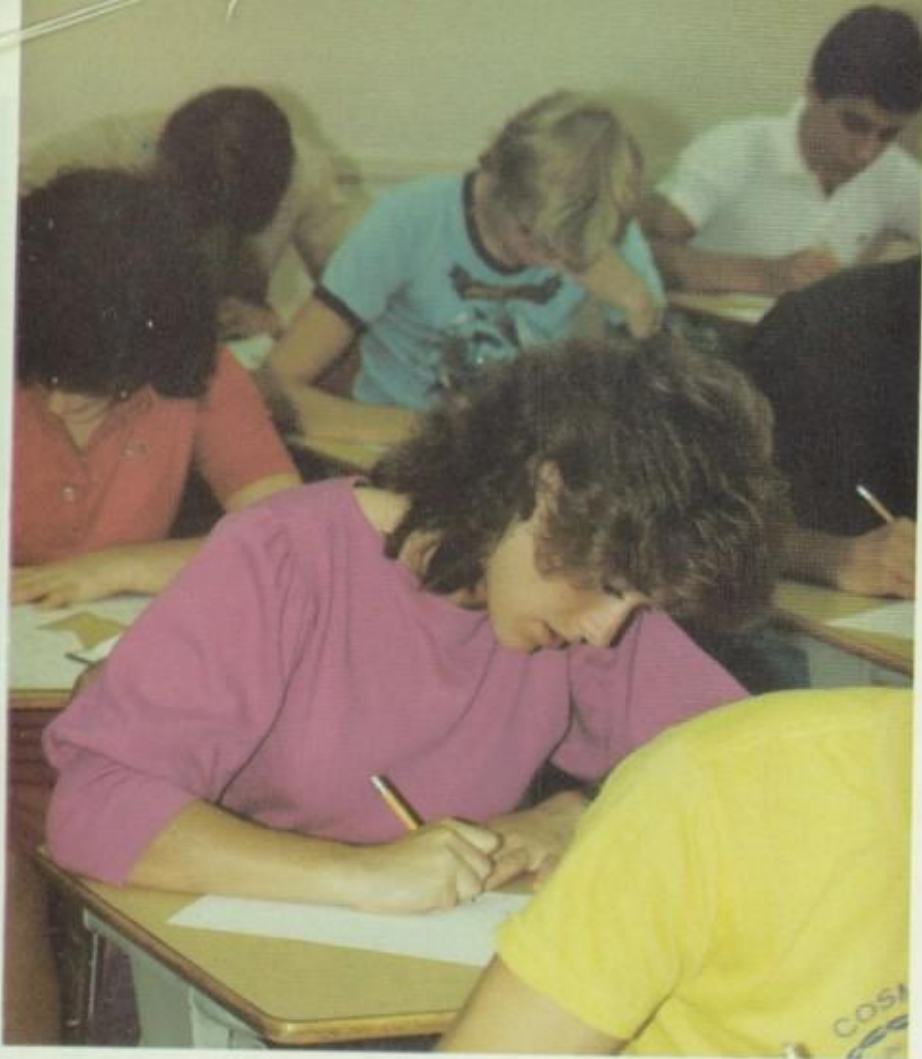

We remember  
returning to school  
on a warm, fall morning.

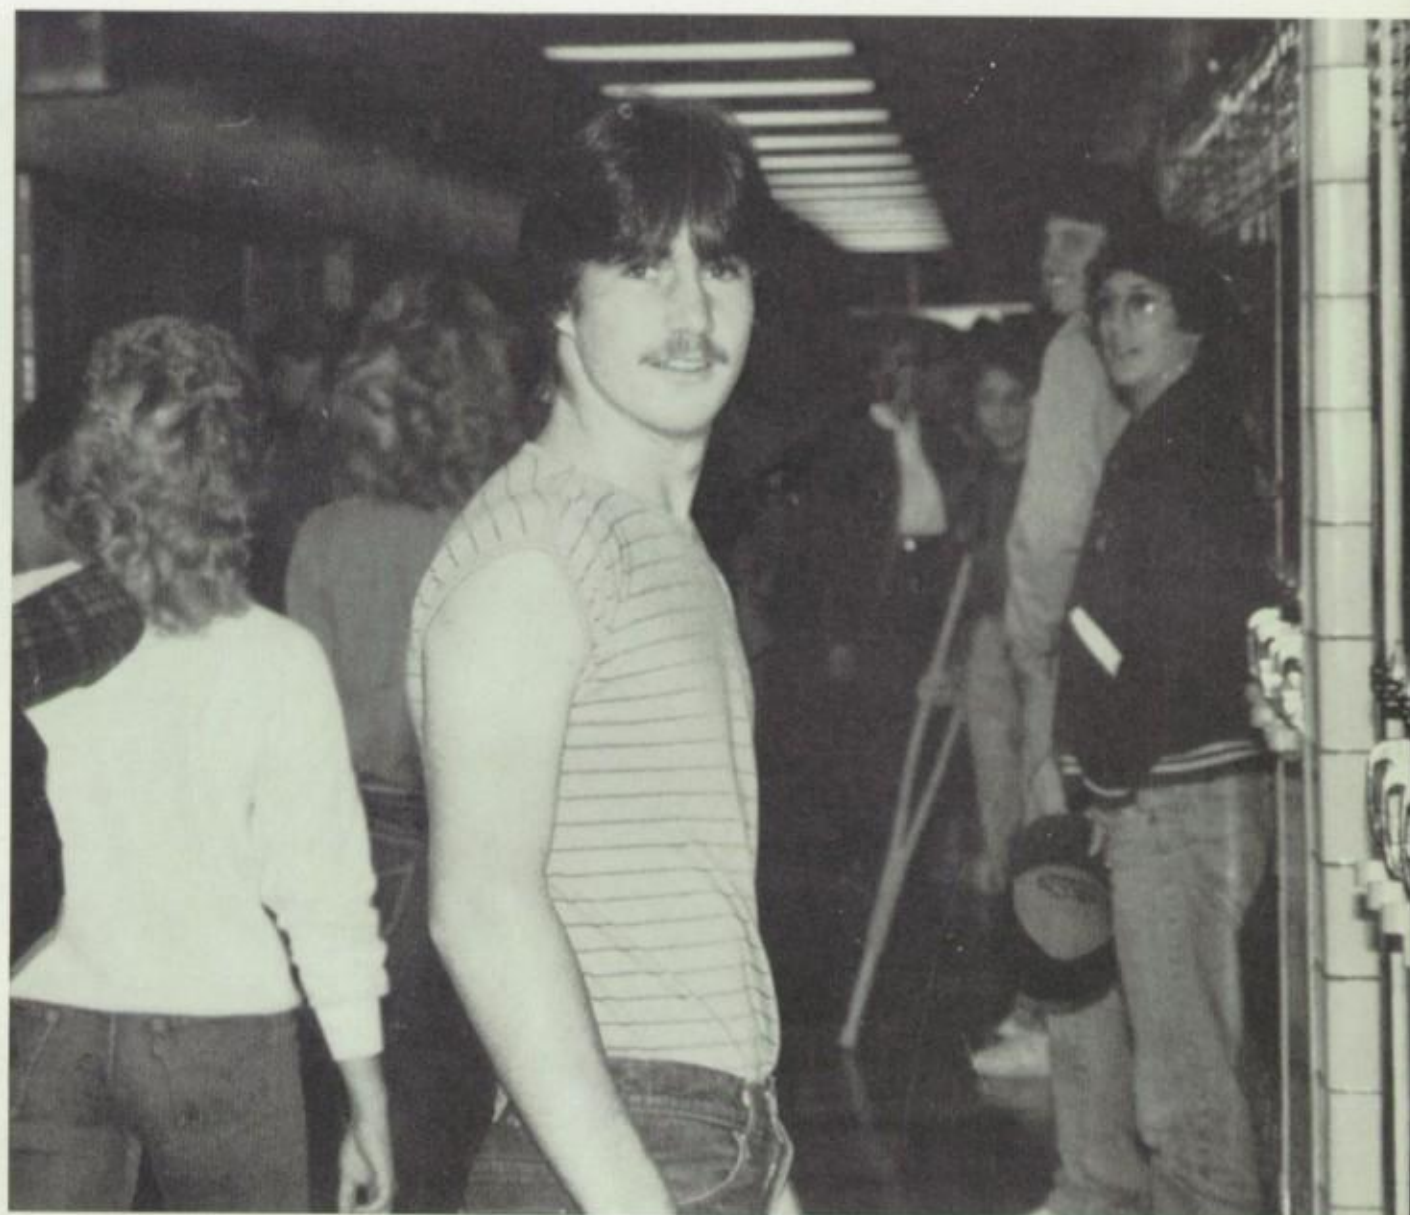

Another hectic day  
of comparing schedules  
and filling out  
endless forms.

But when times got tough and smiles would not come,  
we turned to each other, knowing there would always  
be someone to cheer us up.

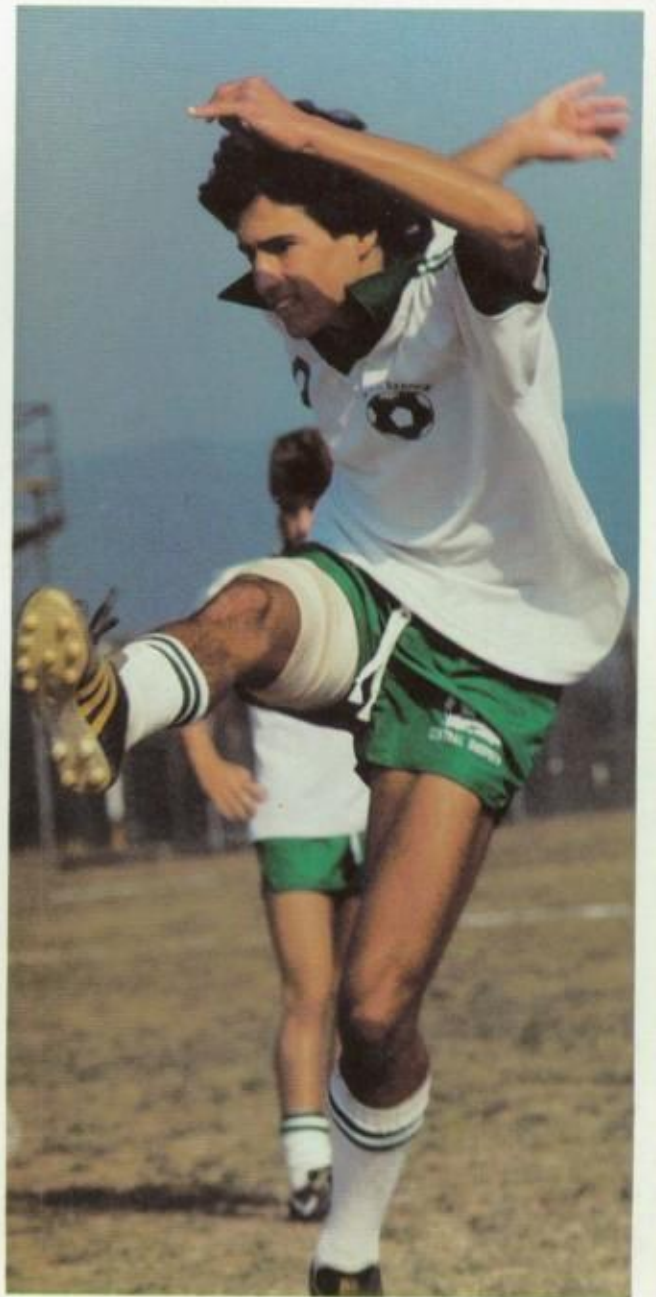

Laughter and smiles filled our days,  
leaving only enough emptiness  
for promises . . .  
or dreams or whatever we  
wanted to put there.

Assemblies, meetings,  
rehearsals, dances.  
Memories of all these things  
blurred together.

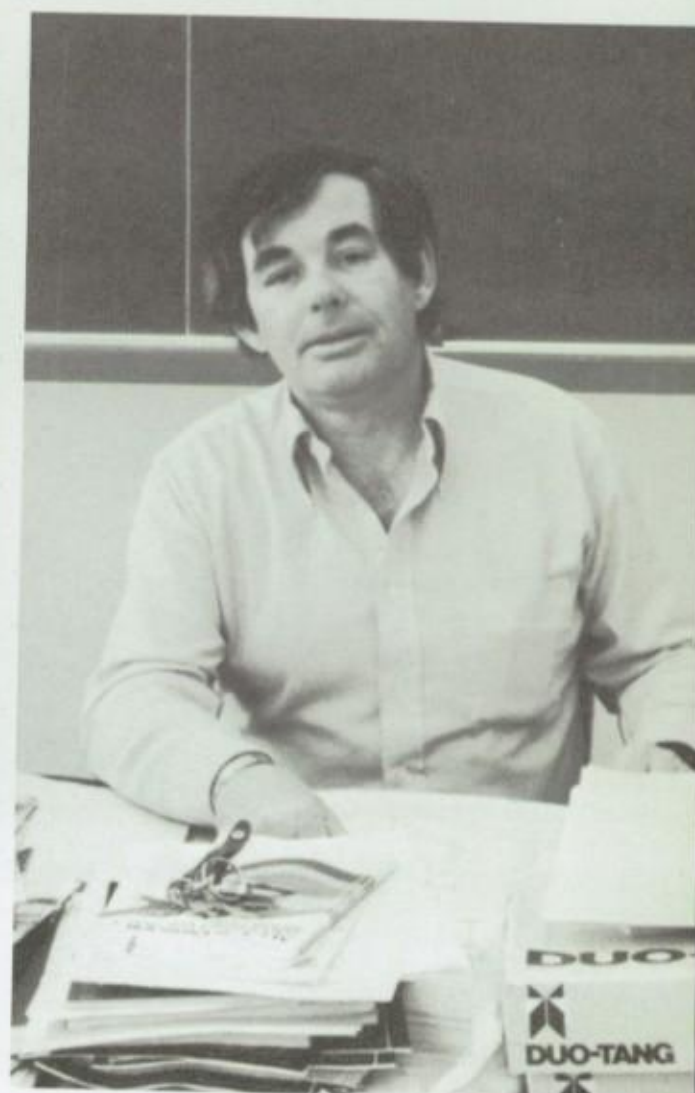

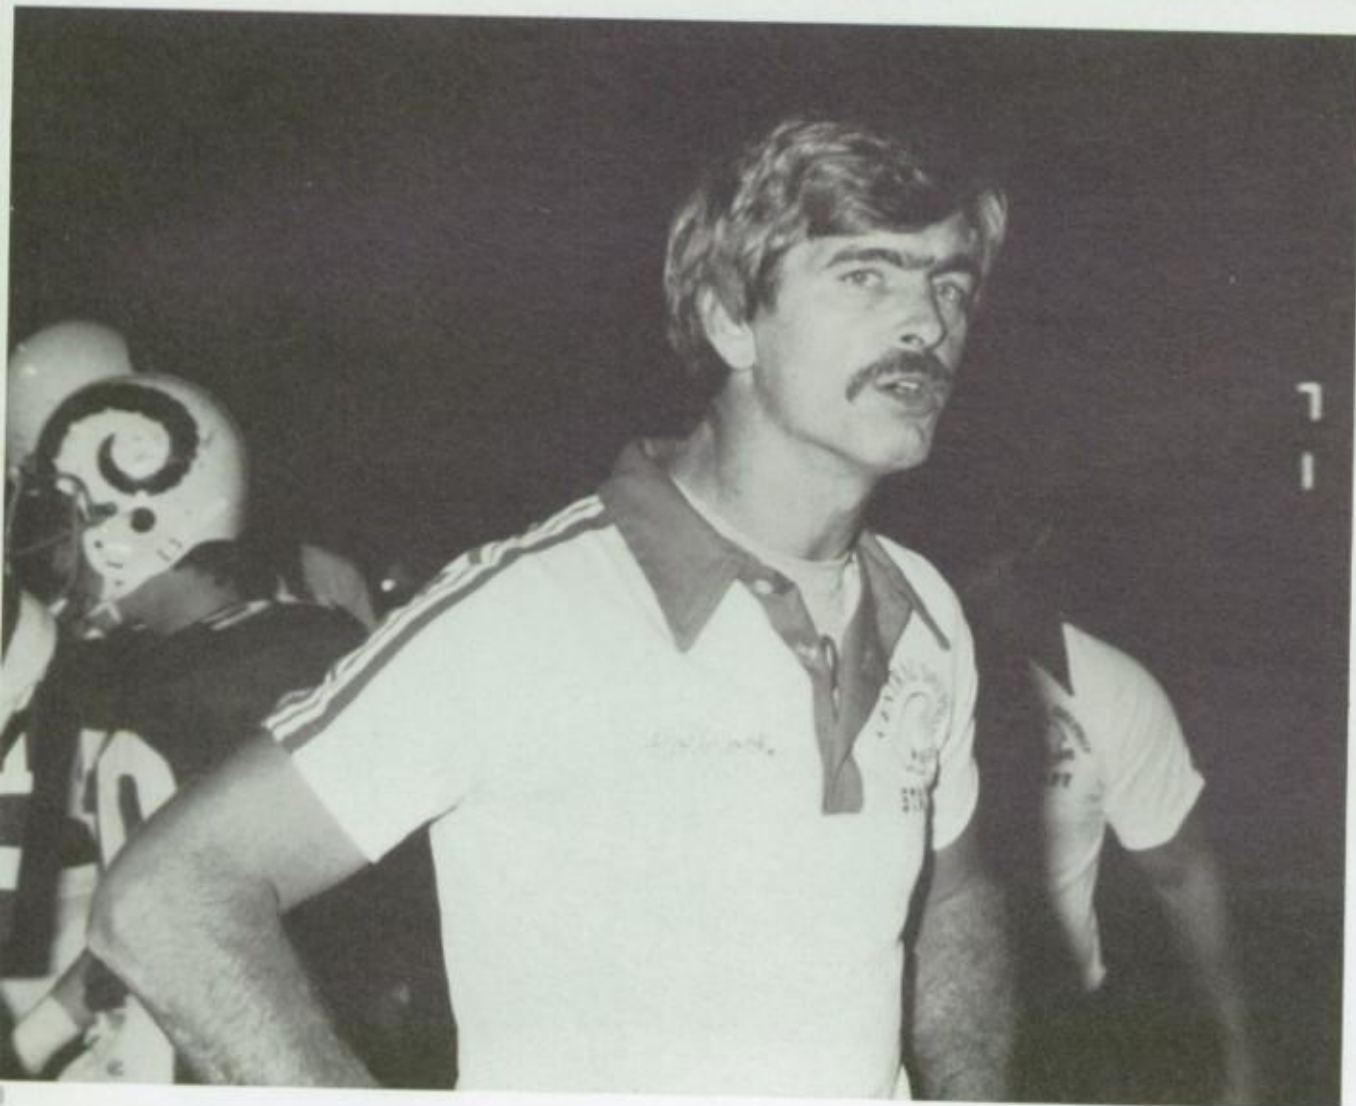

**We gave  
of ourselves,  
for that  
was the best  
we could give.**

# 1984 Student Life

As we, the students of Central Dauphin, recall the year of 1983-84, we will remember a time in our lives marked by great contrast and controversy. As political problems were prevalent at home and abroad, the absence of Andropov, the Russian premier, at many important events aroused suspicion as to his well being. While Andropov was fighting his physical incapacities, Reagan was carrying on a battle of his own against public pressure to pull American Marines out of Lebanon. Furthermore, when local telephone workers took up the picket signs, it signified only the beginning of what was to be the end of AT&T.

As for the media, their contribution was "The Day After," which raised some hotly debated questions over nuclear holocaust. Then, in the midst of all this confusion, dedicated viewers of the T.V. series "M.A.S.H." were greatly disappointed at its termination. Yet new endings

only denote new beginnings. Groups such as Quiet Riot and ZZ Top began to make their impressions on millions of music listeners. While Michael Jackson skyrocketed to success, Culture Club and the Police made sound waves of their own. Finally, music videos and M.T.V. started to become the mode of the future.

Just as winter snow began to fall, blanketing the earth with Christmas peace, the firing of weapons was heard in Lebanon. So, when millions of children were opening up those Cabbage Patch dolls Christmas morn, the memory of the 243 marines who sacrificed their lives for our national dignity remained freshly ingrained in our hearts. At the same time, this was the year of the Winter Olympics in Sarajevo, Yugoslavia. In the United States, Harrisburg made national news, and through our mutual agreement we became sister cities.

# This Is the Way it Was

Meanwhile, the students of Central Dauphin were enjoying opportunities and struggling through trials of their own. SAT's and college applications presented traditional problems, but midterms and finals signified new ones. Although it rained on Homecoming and we were defeated by East during football season, the spirit of the green and white prevailed. Spirit week with its costume day, green and white day, and pep rally was the best ever.

Our soccer team gave us a season to remember, and who can discredit our field hockey and basketball teams who put forth their best efforts to hold their own against some tough competition. As the matmen rolled on to victory, the swim team swam a successful season. We all held our hopes high for our spirited band in their competitions and especially for our majorettes, who proudly defended their title.

1983-84 was a time for new friendships and old friends. It was a period of adjustments for the sophomores, and for the seniors it was counting the days 'til graduation. At Christmas we had our pictures taken with Santa Claus and later rocked to the music of the Allies.

Many of us got our first taste of good old fashioned swing — whether we wanted it or not — from Woody Herman and the Thundering Herd, Yet during all of this activity, Brent O'Connell and Jeri Lynn Anderson, who touched a very special place in all of our hearts, passed on. Yes, we had our sad times, but we had happy times, too. As the seniors look forward to what the future holds, the juniors and sophomores will return for another year at C.D. However, looking back, we realize that we were a definite part of George Orwell's year-1984.

## Exchange Students Cultivate New Friendships

This year we are fortunate to have two foreign students attending Central Dauphin. Nathalie Guilleray is from Saint-Malo, France and she is hosted by the family of Marci Snyder. Nathalie's interests lie in music, people, art, reading, and sports such as skiing and windsurfing. She is here with the Youth Exchange Service of Los Angeles. Wanda Gonzalo-Juarros is from Buenos Aires, Argentina. She is hosted by the family of Leslie Gulden. Wanda's interests lie in art, drama, theater, movies, reading, music, dance, and tennis. Wanda is here with the afs Internation exchange program. They both find America interesting and plan on seeing other parts of this country before leaving for their homes in July.

## Hands-on Experience Beautifies Our School

We would like to recognize and thank the students of Central Dauphin for contributing their time and efforts in planting trees and shrubbery around our school. These students are participating in horticultural projects where they grow plants and trees in the greenhouse.

# The Art of Studying

Parties, proms, and pep rallies may rank foremost on your list of most enjoyable school activities, but do you at least rank the classroom and study in the top ten? Probably not. Normally the classroom and study are not Academy Award winners in life's most enjoyable categories. However, with a little help you too will be able to list studying as your favorite school activity. All you need to do is follow the guidelines below.

— Study while sitting in front of the television with the radio blaring in the background. This attack on your senses seems to close the mind. If your mother says anything to you, tell her it helps you concentrate.

It's true. You can concentrate on this weekend, your date, the game, etc.

— Study with a friend. If at all possible, a friend of the opposite sex.

— Study at the library. The library has a great collection of magazines. There is nothing better than spending an afternoon browsing through magazines. Besides, this is the ideal place for chatting with other friends who are also studying at the library.

— Study outdoors. Once you are outside in the nice fresh air, all thoughts of musty books are swept from your mind. Tell your mom a walk will help you think better (not necessarily about homework, but . . .).

— Study and eat. Now this is most important. It takes a while to stock up on the right kinds of food. This method involves many trips to the refrigerator for replenishing the appetite. Furthermore, all that exercise will be good for you.

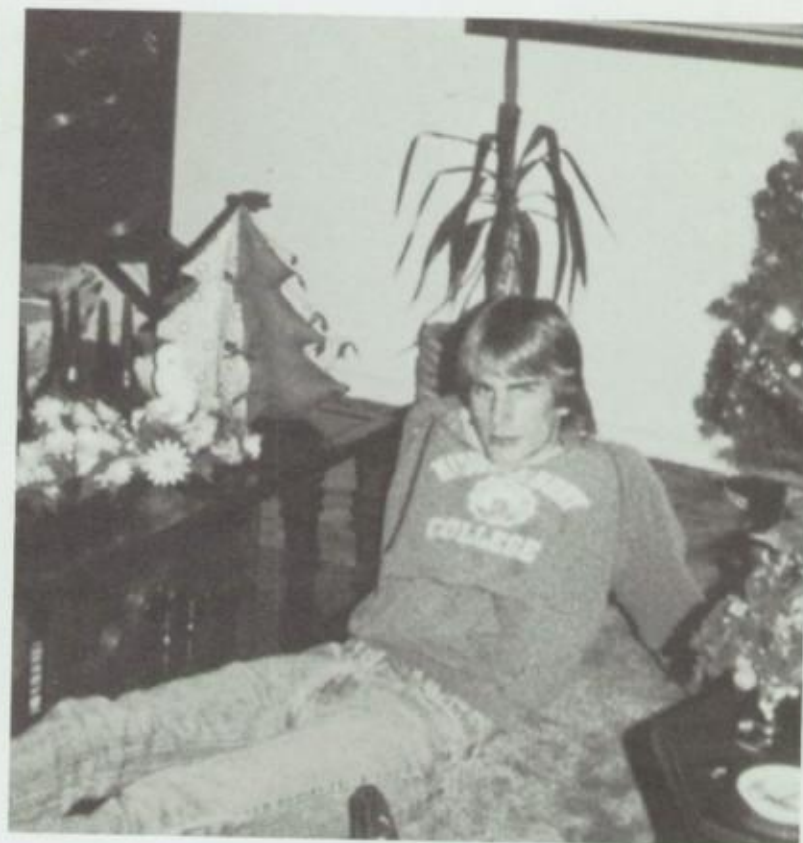

Now that you have guidelines for studying, use them diligently, unless you are one of those people who like to study. Well, maybe in time there will be a cure for such an awful illness.

# Sometimes We Won . . . Always We Tried

Although the Rams finished the season with a 4-5-1 record, they played competitively with every team and were only five points from having a 7-3 record. They demonstrated how well they could play by defeating District 3 Champion Steel-High by a score of 15-6. This marked the first Steel-High loss at home in five years.

The Rams returned just two starters from last year's offense and three from the defense. Offensively the Rams were led by senior linemen John Eichelberger, Tim Clouser, Brian Walborn, and junior Keith Dils. The backfield was anchored by seniors Steve Schwartz and Brian Talley, as well as juniors Dave Anderson and Dave Wix. Defensively the Rams demonstrated the same physical and stingy play they've become noted for in the league. The defensive leaders were Marty Ferber, Dils, Walborn, Clouser, Schwartz, John Balint, and Jerry Hocker.

# Cheerleaders Spark Enthusiasm

This year's cheerleading squad may have been a large one, but they worked well together under the supervision of Mrs. Nancy Thompson, Mrs. Mary Carr, the varsity co-captains Denise Bolognese and Peggy Cahill, and the junior varsity co-captains Diana Madden and Stacey Reich. Over the summer the cheerleaders attended a four day summer camp, and both varsity and junior varsity were recognized as Grand Champions.

The squads have supported many of the activities here at Central Dauphin, including football, soccer, field hockey, boys and girls basketball, and wrestling. Also, the cheerleaders have done their best to organize spirit weeks and pep rallies to help raise the school's spirit and cheer the teams on to victory.

# Rams Excel With Record-Breaking Performance

This year's soccer team finished an outstanding year with a record of 23-2-1. The Mid-Penn Champs had a 22-0-1 record, including two stunning victories over the always tough Carlisle squad. The Rams went on to finish second in the district and made it to the state tournament.

C.D. was led by Mid-Penn scoring champ Eric Sebastian, who led the league with 48 goals. Following him were senior midfielders Steve Schreiner and Dave Chung, and sophomore midfielder Glenn Davis. The Rams were led on defense by seniors T. J. Ulsh, Mike Naylor, and Bob Zeiders, and by sophomore goalkeeper Brent O'Connell.

The Rams recorded several new school records, including most goals scored (126) and most shutouts (13). They also dominated the Division 1 all-star team, having eight players named to the first and second teams. First team selections were Scott Davis, Mike Naylor, Steve Schreiner, and Eric Sebastian; second team selections were: Dave Chung, Glenn Davis, Brent O'Connell, and T. J. Ulsh. Sebastian was also named to the All-State and All-Regional teams.

Coach Shaffer characterized this year's team as being very unselfish. This unselfishness, combined with strong desire to win, brought victories that mere talent could not produce. Mr. Shaffer felt that this team was as strong as, if not stronger than, any other team in C.D. history. Two easy victories over last year's Division 1 champ, Susquehanna (2-0, 10-1), proved this to be true.

The most rewarding victory, however, in Coach Shaffer's mind was the team's second win over Carlisle, who was ranked number one in the state at the time. This clinched the league championship. It was that victory that brought the C.D. Rams the recognition that they truly deserved.

The soccer team thanks Coach Shaffer for his years of service to the team, not only as a coach, but also as a true friend. Good Luck to Mr. Smithers and next year's team!

# C.D. SOCCER

## CD Rams Stick It to 'Em

This year's field hockey team flashed onto the scene with a three game winning streak in the beginning of the season, beating Steel-High for the first time in several years.

The Ram's season consisted of sporadic streaks of wins and losses. Overall, the Ram's finished an excellent season with a feeling of satisfaction and achievement after long hours of practice, frustration, accompanied by tears and smiles. The field hockey team owes much to the coaching of Miss Potteiger and Miss Aston.

The leading scorer was Cheryl Engle (six goals), followed closely by Sue Phillips and Kathy Brockman. Meanwhile, goalie Beth Hyle had an extraordinary 61 saves. We wish the best of luck to next year's team!

# Rams Golfers Are Up to Par

Despite such adverse conditions as sudden rain storms and sand-covered greens, the Rams golf team won the league title for the third straight year. They finished this season as Mid-Penn East Division co-champions.

Senior Varsity golfers Steve McNally, Steve Robertson, and Alan Cohn held top spots on the team. Steve McNally earned the Mid-Penn Conference title, while Alan Cohn was tied for third.

Under the coaching skills of Mr. David Eckroth, the Rams finished their season with an excellent record of 15-1.

**Row 1:** L. Ranck, M. Heidelbaugh, J. Smullen, C. Fenstermacher. **Row 2:** D. Chibnik, W. Henry, E. Haas, M. Noga, M. Jacobs, T. Smullen. **Row 3:** S. McNally, A. Cohn, A. Weiser, S. Lentz, S. Robertson, B. Rice, D. Hall, Coach Eckroth.

# Girls' Tennis Has Upper Hand on Love

The girls tennis team finished their season with six wins and three losses. After losing their first three matches, the team rallied for six consecutive victories, finishing fourth in the Mid-Penn (Division I) League.

This year's most valuable player was Denise Bisbano, who completed the season with eight wins and one loss.

In the Mid-Penn Divisional Tournament the Rams placed Denise Bisbano and Suzanne Wampler in the singles finals along with Jody Rice and Connie Geesaman in the doubles finals.

The top five players were: Jody Rice, Lynanne Carr, Denise Bisbano, Connie Geesaman, and Suzanne Wampler. With most of this year's team returning, next season should be better than ever!

# Ram Runners Rebuild

The sweat of endurance and the polishing of ability was what this year's Cross Country team experienced. This rather mysterious and seemingly painful sport was directed by Richard Holp, who coached the boys, and Robert Jostenski, who coached the girls.

The boys' captains were Pat Brinkerhoff and Joe Breen. The top five runners included Joe Breen, Ed Riehl, Mark Hoover (who was named outstanding sophomore), Daryl Peck, and Pete Wilshusen (voted the most improved runner). Junior Joe Breen, who placed 17 in the league, was also named the MVP.

Row 1: J. Zatorski, P. Brinkerhoff, Mr. Holp, J. Breen, E. Riehl. Row 2: T. Shatto, K. Loung, M. Hoover, B. Evans, D. Rosenthal S. Repa, P. Wilshusen, L. Gast, D. Peck, D. Hutzog.

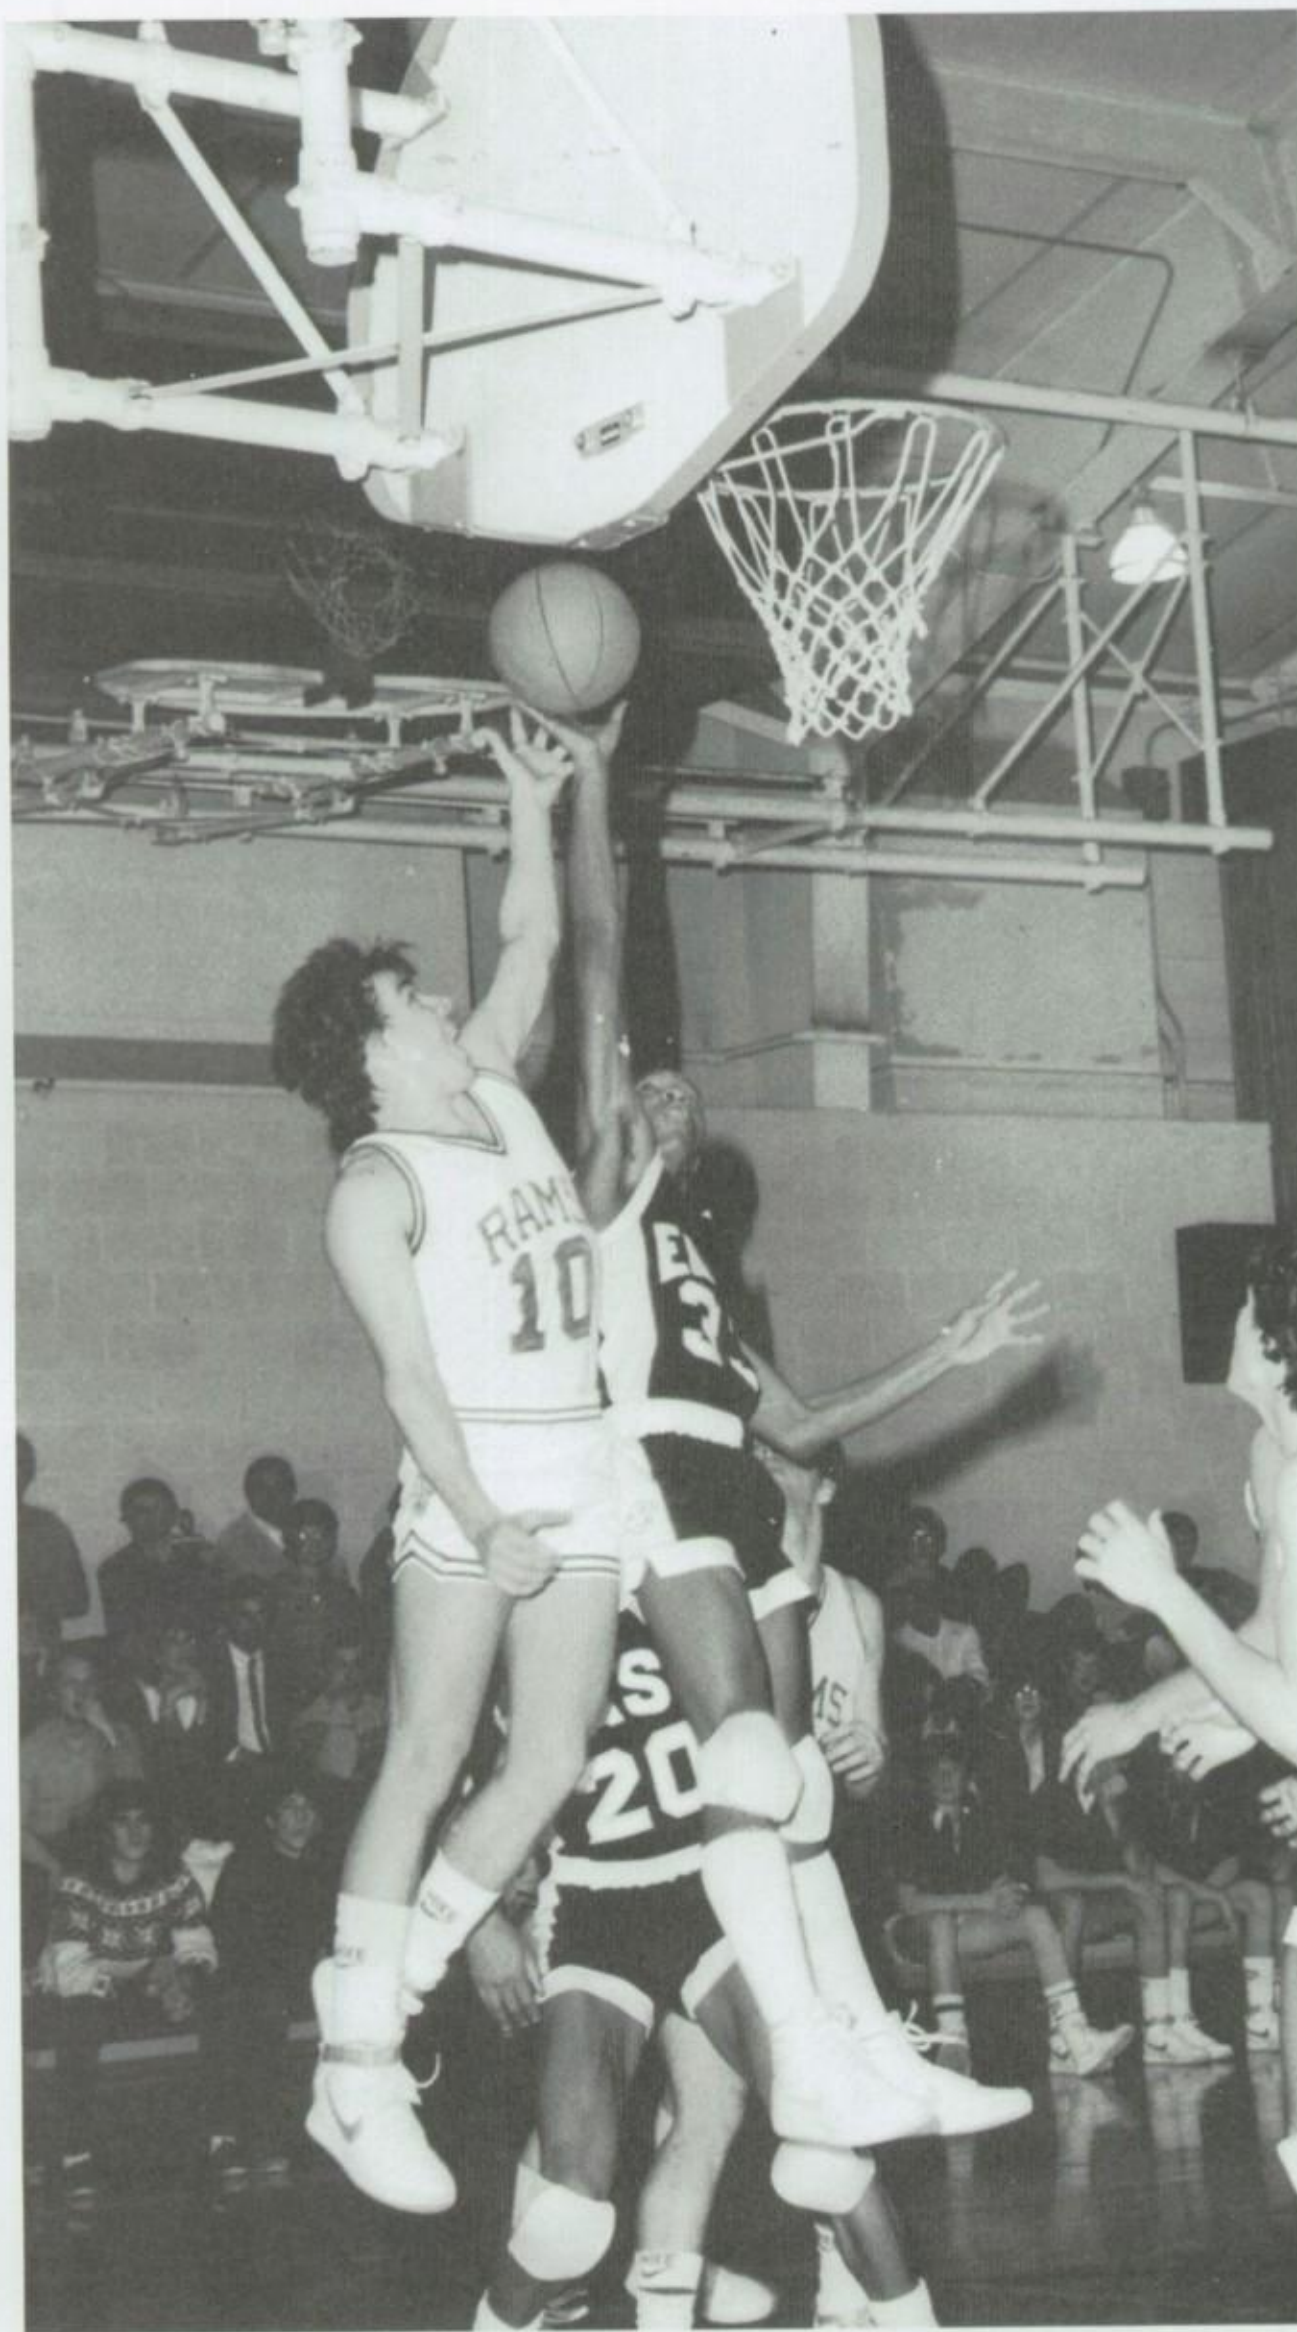

## We Stride in Pride

Although the girls experienced a rough year due to injuries and outnumbered competition, they gave their best. Girls' captains were Michelle Ondeck and Michelle Matiskella. The Most Improved Runner was Joanne Gustafson, while Gretchen Tiedger was also an outstanding runner. Most Valuable Player was Michelle Ondeck.

Row 1: K. Randby, H. Hummel, S. Key, M. Ondeck, J. Gustafson, Mr. Jostenski. Row 2: S. Ibaugh, M. Matiskella, P. Wallace, G. Tiedger, C. James, B. Halkias.

## Rams Experience Growing Pains

The 1983-84 basketball team finished another growing season with a record of 2 wins and 22 losses. The team consisted of eleven juniors and only one senior, so most of the team will be returning next year.

Leading the team this year in scoring

was Dave Bitting, while Dean Pappas led with assists, and senior Pat Evans led the team on the boards. The team did not have a winning record, but they never quit. The team's determination led to their improvement, which makes a successful season.

## GIRLS' VARSITY

Row 1: Beth Stoudt, Leslie Duralja, Sue Phillips, Jan Miller, Brenda Beistel. Row 2: Coach Farrell, Lisa Tulis, Diane Adelstein, Dannette Cobb, Patty Wallace, Tania Anderson, Sherry Newcomber.

The 1983-84 girls' basketball team consisted of three seniors, five juniors, and three sophomores. Sophomore sensation Patty Wallace is said to be one of the best young players to come through CD's basketball circuit, and she has two more years to prove her ability. Patty led the team in scoring, rebounding, and steals. She was followed closely by senior Leslie Duralja in scoring and rebounding.

Highlights of the season were a 44-43 victory over Harrisburg and two strong wins over rival East High. The team is looking forward to a fine season next year with the returning members of the squad.

## JUNIOR VARSITY

# Ram Wrestlers Dominate Christmas Tourney

The 1983-84 Varsity wrestling squad had an impressive winning season and concluded the year with an overall record of 15 wins and 4 losses. Although all of the individual wrestlers deserve credit, some of the notably successful team members were Andy Cahill, Todd Delong, John Rutter, Tom Mellott, Chris Herman, Jamie Harr, and George Peters. This year's wrestlers placed 5th in the Warwick Christmas Tourney.

Chris Herman was the Warwick Christmas Tourney Champion. Meanwhile, Tom Mellott placed second, John Rutter placed third, and Jamie Harr was fourth. All should be commended for their outstanding performances.

# Swimmers Make a Big Splash

The 1983-84 boys' swim team finished an outstanding year with 8 wins and 2 losses and placed third in the Mid-Penn conference. The team had great depth to go along with a few outstanding performers.

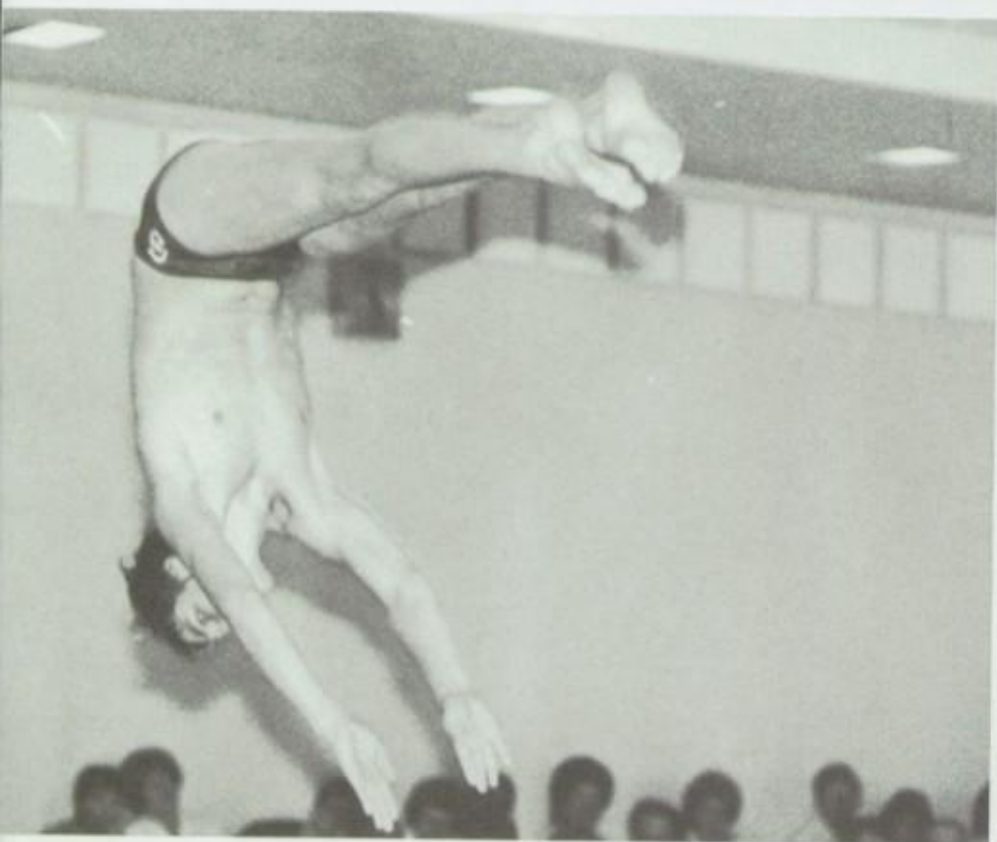

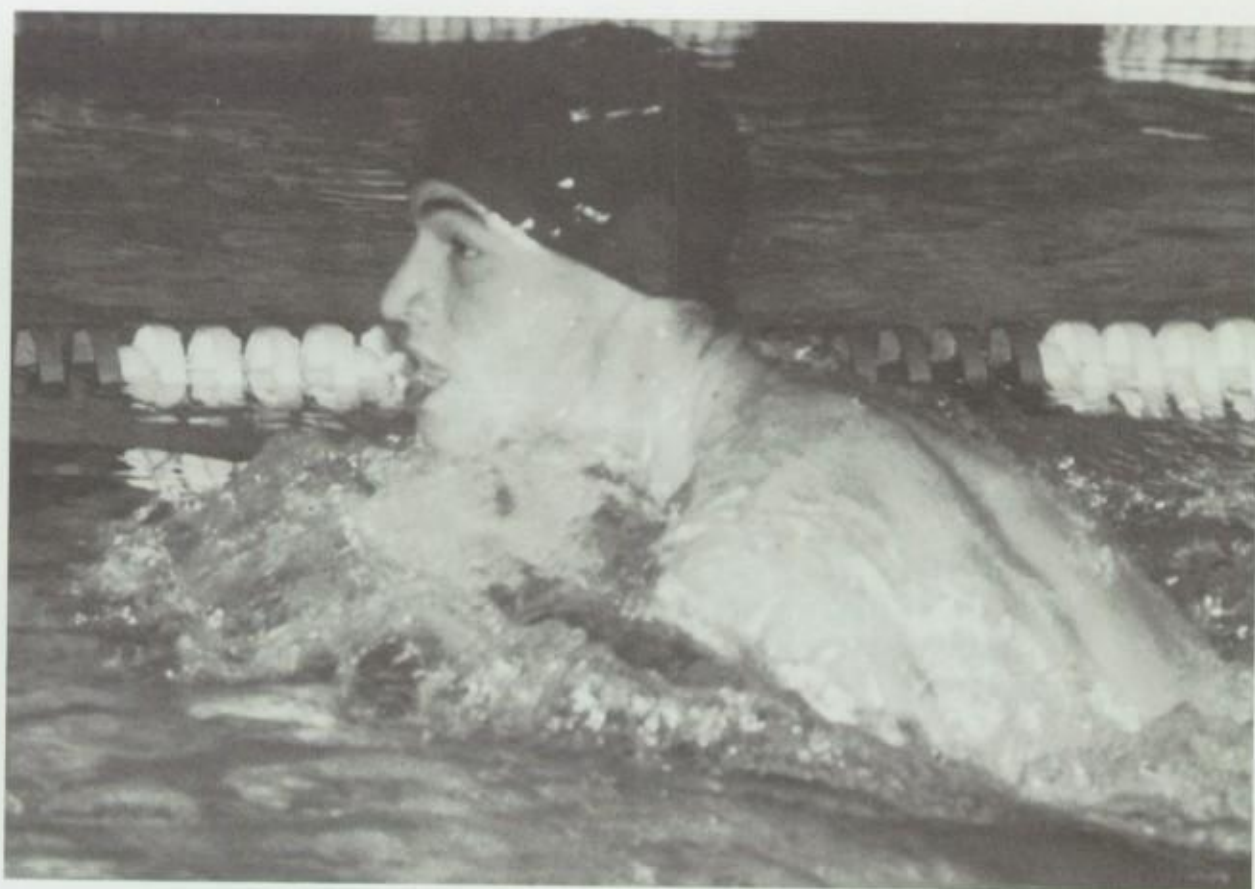

Senior co-captains Bill Marlin and Rick Egenrieder led the way, along with junior Warren Silvers, sophomores Chip Bender and Bert Marlin, and freshman Dave Reardon and Dan Corbett. These swimmers qualified for the PIAA District III Championships along with junior Jeff Arnold.

# C.D. Girls Swim With Style

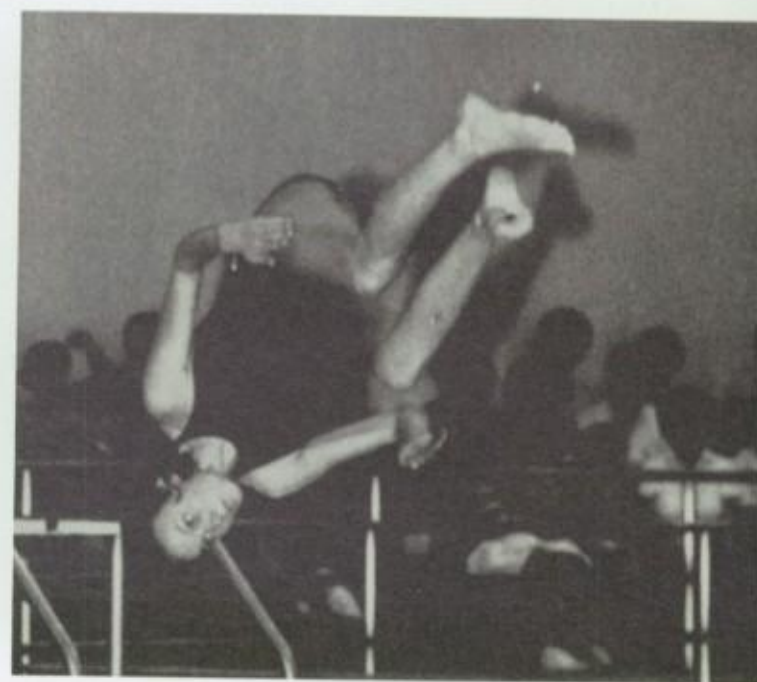

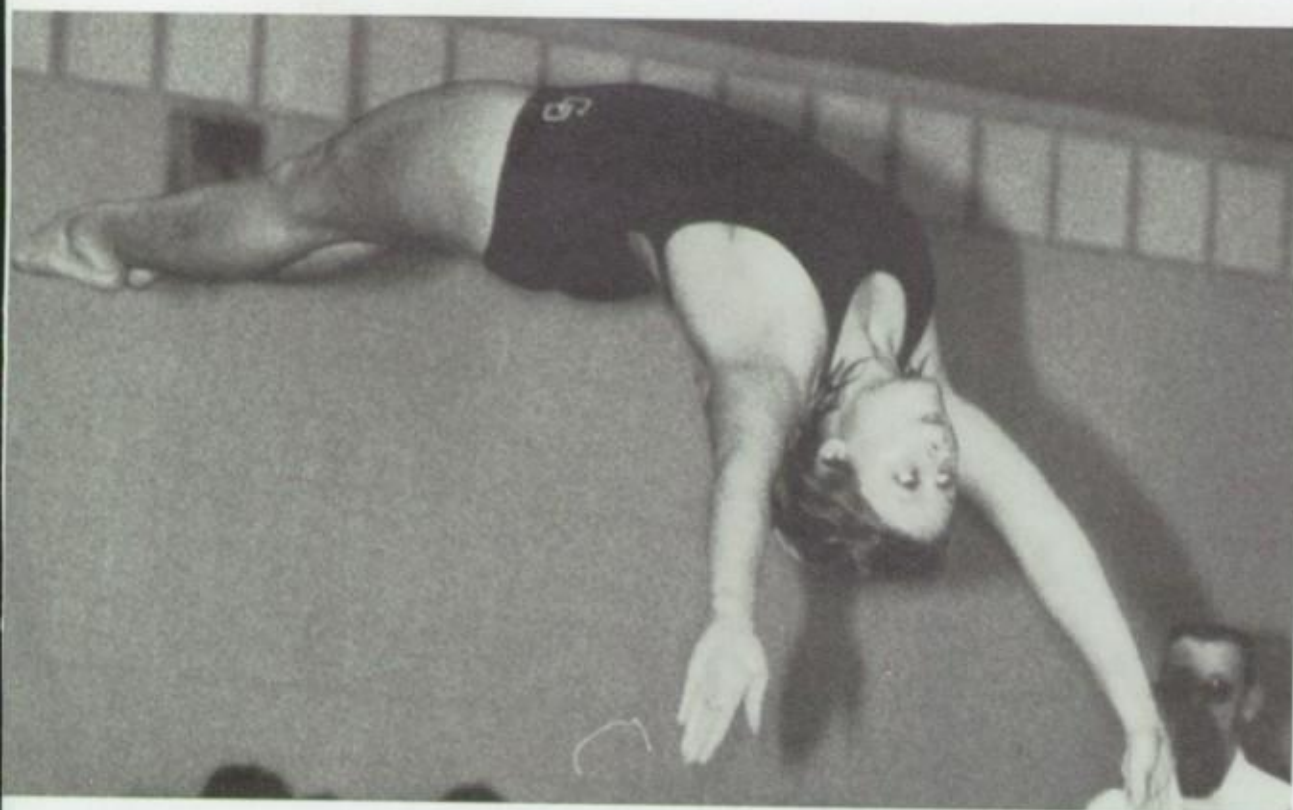

The Central Dauphin girls' swim team finished another rebuilding year with a record of. There was only one senior on the squad, so the team was dominated by underclassmen. Juniors Amy Hoch, Kristie Steinmeier, and Sandy Coulter led the squad, along with sophomore Michelle Sebastian and freshmen Amy Balsbaugh, Patti Timmerman, and Michele VanNatta. Amy Hoch could always be counted on to place in the 200 and 500 yard freestyles, while Kristie placed in the 50 yard freestyle and 100 yard butterfly. Sandy Coulter usually placed in the 100 yard breaststroke, and Michelle Sebastian and her freshmen teammates placed in their respective events. With all the experience gained by this young team, success is surely in sight for next year.

# Inexperienced Staff Copes With Deadline Pressure

As an inexperienced staff assembled to plan the 1984 *Centralian*, few realized the amount of work or time necessary to produce a quality yearbook. Deadlines soon turned rookies into experienced veterans. The staff, headed by co-editors Sue Knauber and Andrea Granitz, learned that it took a measure of creativity to produce something that was more than "technically alright."

The yearbook could not have been so successful without the support of the business staff, which was directed by Mrs. Patricia Osman and editor Holly Swajian. The staff sponsored funding of the yearbook through many fund-raising drives and in-school activities. The staff also took to foot and searched for businesses to support our publication. The highlight of Christmas occurred when the business staff invited Santa to visit CD, where students and faculty were able to be photographed with him and Mrs. Claus.

# Rams March to a Unique Beat

From the first day of summer practice in June, our C.D. Ram Band was busy practicing and displaying their talents throughout the area.

In addition to attending all of the school's football games, the Ram Band participated in the exhibition Band-a-Rama, the Memorial Day parade, three local Halloween parades and were featured at this year's annual Tall Cedar Pancake Jamboree to benefit the Muscular Dystrophy Association.

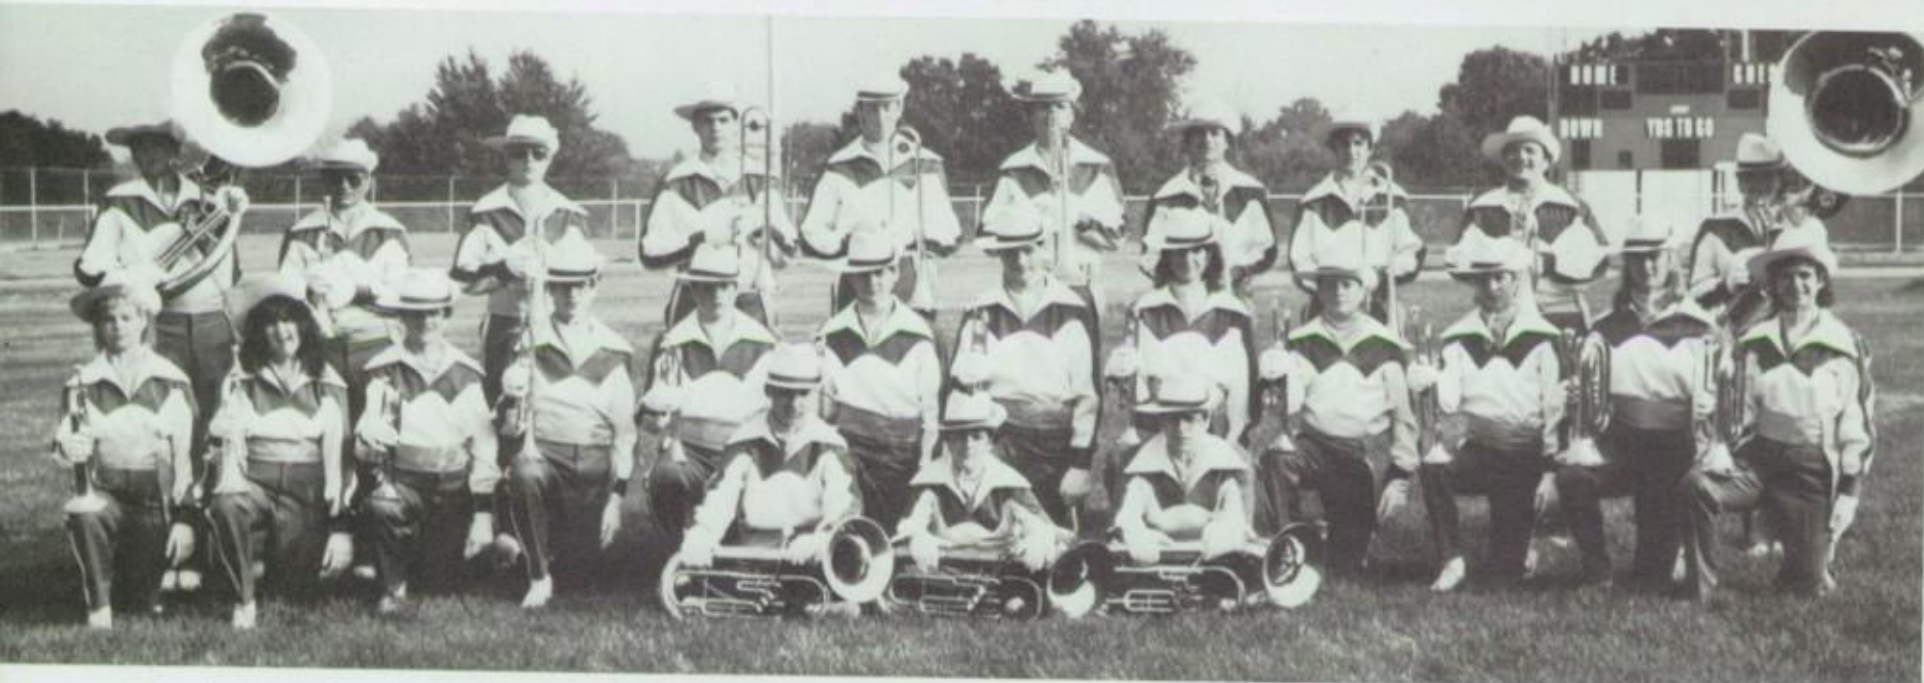

On top of this, our Ram Band was involved in many competitions sponsored by the Tournament of Bands. Although the band suffered a last place finish in their first competition held in Ephrata, the band quickly rebounded after many strenuous practices to first place finishes in South Williamsport and Cedar Cliff. They achieved three caption awards, including best overall effect, band front, and majorettes. Later, they continued their show of talent and spirit at the Tournament of Bands Championship in Westminster, MD.

The Ram Band endured sunburn, frostbite, the intensity and excitement of competition, and even the dreaded fund-raisers; but rewards came — the thrill of victory, the intensity of spirit, and smile of approval from director James Milbrand.

## Ram Band Is a Showcase of Musical Talent

The talents and enthusiasm of the many musicians at Central Dauphin can be seen through the variety of instrumental organizations. These active musical organizations consist of the Pep Band, Concert Band, and Stage Band. Members of these bands participate in various activities throughout the year for school and local community functions. The Pep Band takes the place of the Marching Band in promoting school spirit during the winter months when they play at home basketball games. Concert Band performed several concerts throughout the year. A concert was held in the winter and again in the spring. There was also a combined concert performed with East High. The Stage Band entertained people at the Shriners' Pancake Breakfast. Special thanks go out to Mr. Milbrand and the band organizations for all their dedication and spirit.

## Scholastic Achievement Merits Honor

The National Honor Society is an organization which recognizes outstanding students. Students are considered for membership on the basis of superior scholarship, leadership, service, and character. Members must also maintain a B average.

After being voted upon by the faculty, eligible students are inducted into the society in a candle-lighting ceremony. The Honor Society holds a fall and spring induction. Parents are invited to attend induction and share in the achievements of their son or daughter. The Honor Society also enjoys attending a breakfast with the faculty in the spring. Annually, members of the Honor Society participate in the Quiz Bowl and act as ushers for the Commencement activities.

# Student Aides Volunteer Time

## Students Seek Careers in Health

The members of the Careers in Health Club assist the nurse in her duties within the school community. After learning basic first aid principles, some members participate as student trainers, and many render their services in the nurse's office. As the majority of these members seek careers in medicine, Mrs. Russ aides them by furthering their knowledge in this field. Overall, the services this club provides and the experience members gain through their involvement prove to be valuable assets in the health program at Central Dauphin.

**HEALTH CAREERS** — Row 1: C. Geesaman, Mrs. Russ R.N., H. Swajian. Row 2: J. George, M. Bistline, M. Wolf, L. Pillock, S. Rousch.

## Library Aides Circulate Books With a Smile

The Library Aides Club operates differently than other C.D. clubs. There are no regularly scheduled meetings nor any elected officers. Library aides are students who volunteer to work in the library during their study hall periods. These aides staff the circulation desk, shelve books and magazines, and write out overdue notices. The library aides assist Mr. Zimmerman and Mr. Jostenski in providing a well-staffed and efficient library.

# Students Communicate in Many Languages

## German Club Promotes Culture

Sprechen Sie Deutsch? One of the purposes of the German Club is to give members an opportunity to improve their spoken expression. President Holly Swajian, in cooperation with Advisor Miss Hernley and Vice-Presidents Ron Hancher and Frenchie Hollingsworth, plans several club activities throughout the year which are designed to acquaint members with German culture, such as a trip to a traditional German restaurant. In addition, this organization engages in programs beneficial to the local community. During the holiday season, the club participated in Toys for Tots. Kelly Koup, Secretary / Treasurer of the club, manages funds for the group's activities.

## C.D. Students Get Back to Basics

Central Dauphin has answered society's new demand for computers. The Computer Club in its second year of operation is advised by Mrs. Wood and Mr. Creamer, with Dave Katz serving as President and Brett Novosat as Secretary. The purpose of this group is not only to acquaint people with computer operation and the BASIC language, but also to give those without access to a computer a chance to use them.

## A-V Club Aides Classroom Teachers

The Audio-Visual Club is the direct link between teachers and necessary classroom equipment. This organization transports equipment necessary for audio or visual instruction. Club members make sure the necessary equipment is available in the classroom and also do minor repair work. In addition, this club tapes specials or educational programs for teachers and sets up special film productions for assemblies. The A.V. Club, under the direction of Mr. Ferguson, is a very valuable organization in school life for teachers and students. They deserve special thanks for all their fine efforts.

**AUDIO-VISUAL CLUB** — Dave Hawk, Greg Barton, Mike Diffenderfer, Marlene Marriott.

## Varsity Club Rewards Athletic Participation

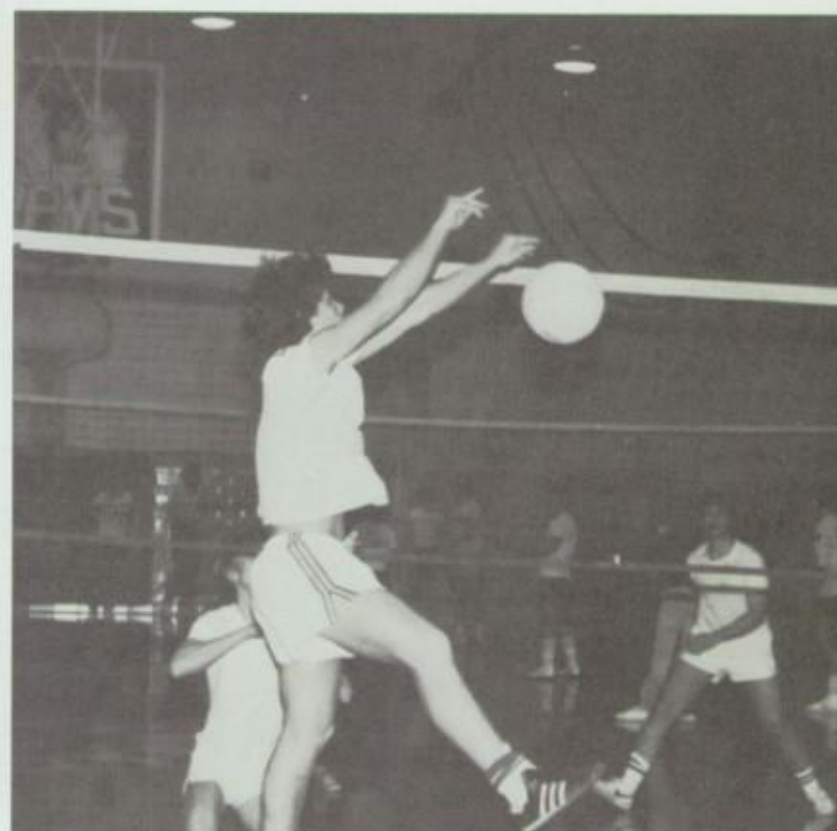

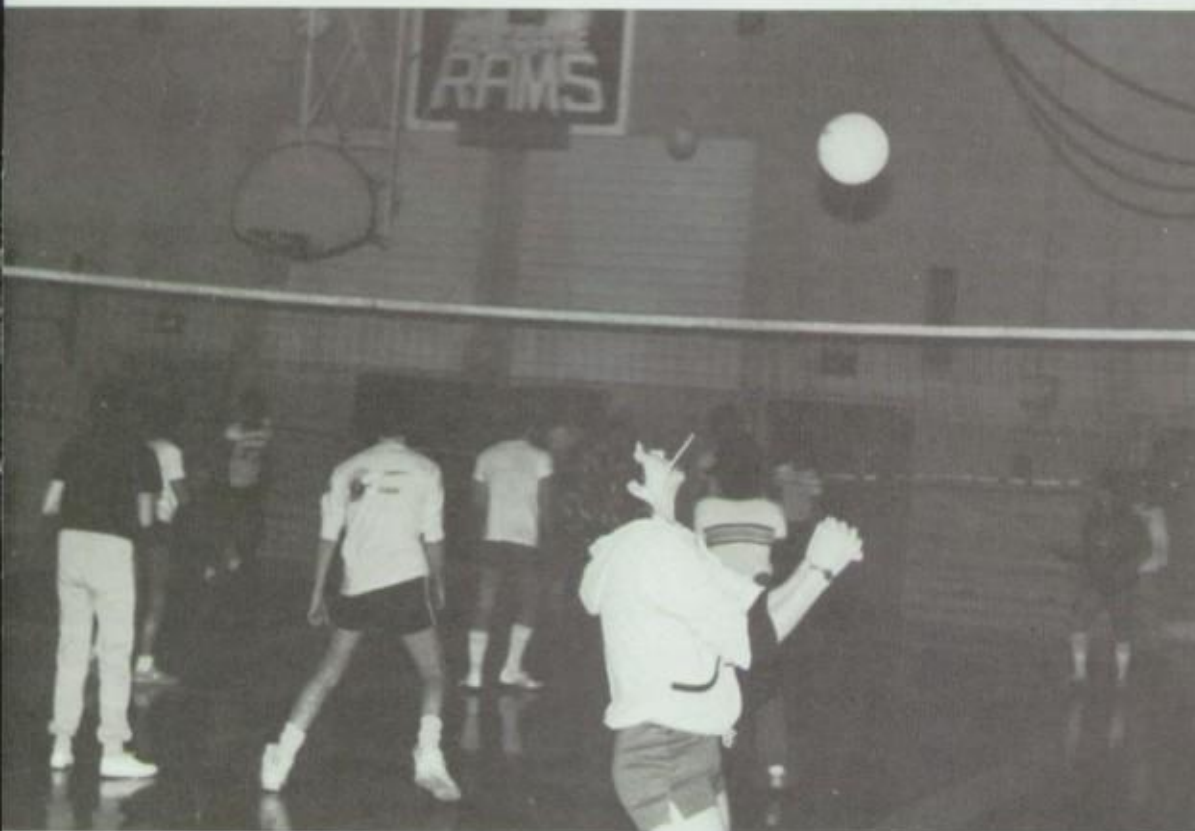

The Varsity Club of Central Dauphin High School is comprised of dedicated athletes who have earned both a position on a varsity squad and a varsity letter in a particular sport. The club's main function is to provide financial assistance to all sports for the purchasing of team and individual awards. Money is raised through a variety of fund raising activities which are run by club members and their respective coaches. There is a great diversity of athletes found in the Varsity Club since it involves a number of sports. Therefore, the club draws athletes from different sports together to promote enthusiasm throughout the school.

## Council Serves School and Community

With Mr. Ted Sanderson as advisor, this year's Student Council worked together to organize many of the school's social activities. The Council did a fine job developing the events for Homecoming and May Day. It also sponsored several dances, including the Thanksgiving Food Basket Dance featuring the well-known Allies. In addition, the Council held its annual Thanksgiving Food Basket Drive which allowed needy families to enjoy a holiday feast. Some other activities in which the Student Council participates include National Education Week, Daffodil Days for Cancer Drive, and Student Exchange Day.

## Rampage Keeps Students Up to Date

The *Rampage* newspaper is responsible for informing the students of Central Dauphin of events taking place in school, around the Harrisburg area, and throughout the world. This year the *Rampage* staff has grown considerably. The new members and the returning members are working even harder this year to improve the quality and quantity of our newspaper. With the help of these individuals, the *Rampage* is improving journalism in our school.

Its advisors include Mr. Donald Smithers and Mr. Charles Ferguson. Student advisors are Tracey Kear and Denise Rosenstrauch, Co-editors, and Serena Cosmo, Assistant Editor.

# PAC Reaches for the Stars

The Planetarium Assistants' Club is a service organization to the school and community. Club members assist Mr. Phillippy, their advisor, in everyday activities. These activities may be maintenance oriented or club related. Club members act as assistants to Mr. Phillippy in a variety of ways. Each year the P.A.C. offers at least one public program for the community. This worthwhile club takes pride in planning activities which are of general interest to everyone. These dedicated people help with various responsibilities to insure that the planetarium shows run smoothly.

# The Stars and Those Who Make Them Shine

This year the Thespians, under the direction of Mr. Bennett, produced two one-act plays. This was done with great dedication, hard work, and lots of fun, both on and off the stage. The end result was a very successful show which was as enjoyable for the audience as it was for those performing.

The actors and actresses of a production may receive most of the credit, but let's not forget the individuals whom we do not see. Behind the bright lights and all the fame there is a group of people who work to insure that productions and assemblies look good. The hard work and dedication of the stage crew is evident in the numerous productions and assemblies at Central Dauphin. This group of approximately sixteen members under the direction of Mr. Gingrich and Mr. Cassel adds the finishing touches to various productions through lighting, curtains, and scenery.

# From Russia With Love

"From Russia With Love" was the title of this year's stage production by the Thespians. Under the direction of Mr. Bennett, the Thespians presented two one-act plays by Anton Chekhov. The first play was called "The Proposal." This comedy was followed by the light-hearted skit, "The Wedding."

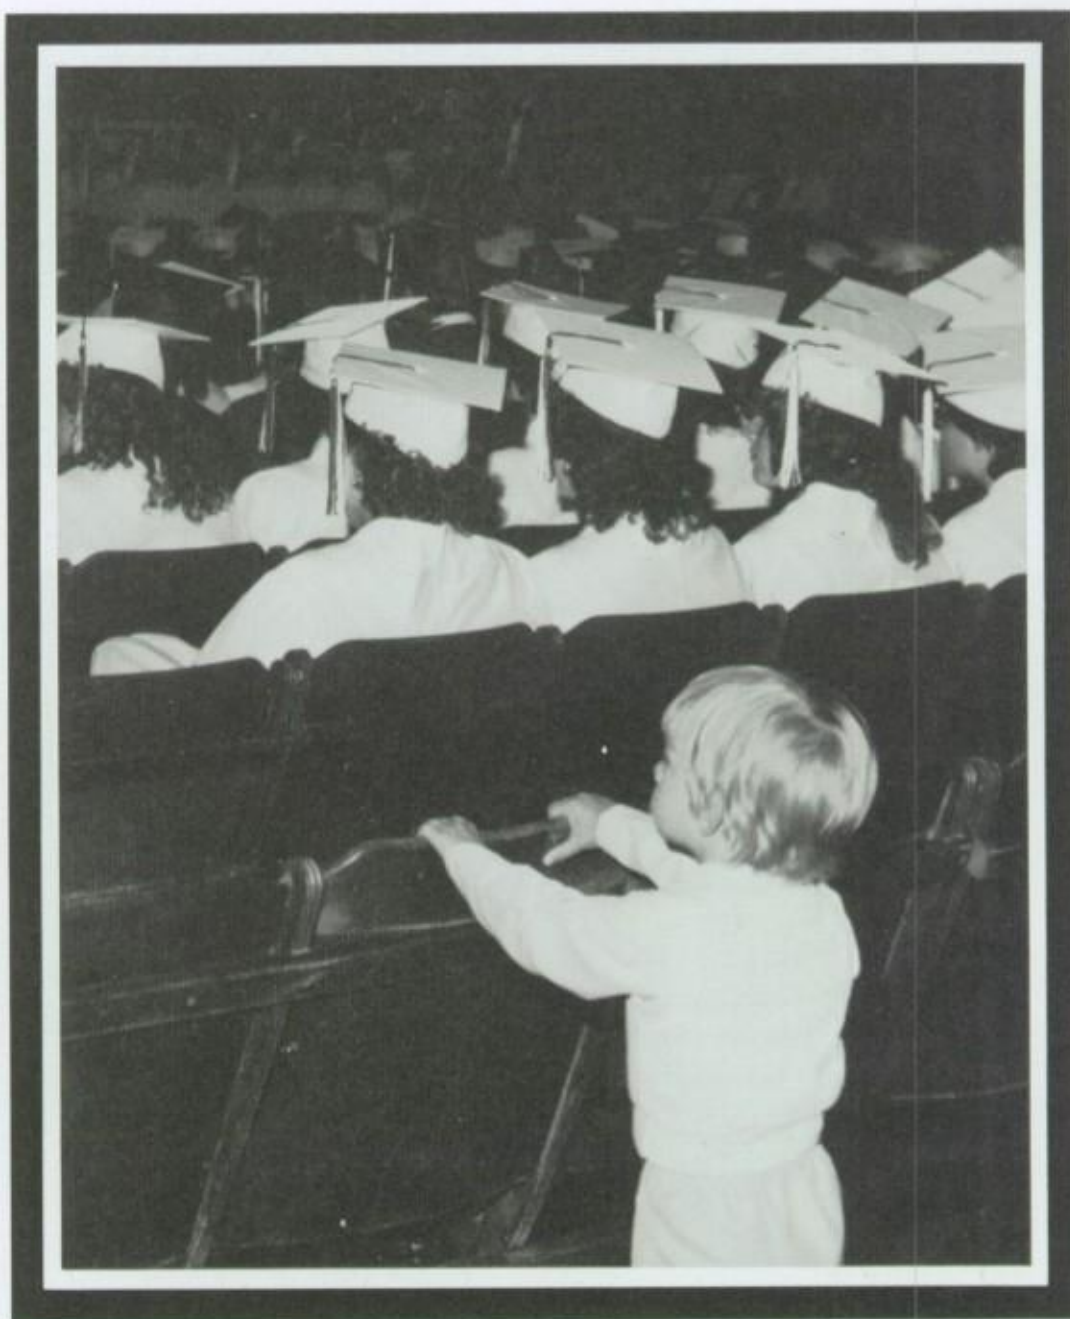

Both plays were outrageous farces and were designed to be light-hearted and extremely entertaining. The performances by the cast of characters proved to be quite comical, and it was apparent through the entire production that it wasn't only the audience who was enjoying the show! Sincere thanks should go to Mr. Bennett and the cast of the fine productions.

As the seniors' three year sojourn comes to an end, they are more inclined to reminisce about what seems like "old times," as far as who was who, who liked whom, what happened, who did what, etc. After they leave these halls of Central Dauphin, and as their lives change, recalling how things really were will become more difficult.

In order to jostle the memory, the Centralian staff distributed questionnaires and allowed the senior student body to select the people they felt deserved the honor of such titles as Best Dressed, Most School Spirit, Best Couple, Class Flirts, Most Studious, Laziest, Most Athletic, Class Clown, Quietest, Most Likely to Succeed, and — symbolic of our time — Most Punk and Most Preppy. Their selections were made with careful consideration of their three years together. Following are the results of our survey.

## ALMA MATER

To our Alma Mater ever dear,  
We raise this song of praise,  
And we'll oft recall as best of all  
Our happy high school days.  
Forever our banner  
Of green and white will fly  
Till the Hall of Fame will claim  
The name of Central Dauphin High.
